

Quick Install Guide

DAP-1353
**RangeBooster N 650
Access Point**

System Requirements

- Computers with Windows®, Macintosh®, or Linux-based operating systems and an installed Ethernet Adapter
- Internet Explorer version 6.0 or Netscape Navigator 7.0 or higher (for configuration)

Package Contents

- D-Link DAP-1353 RangeBooster N 650 Access Point
- 3 Detachable Antennas
- Power Adapter
- CAT5 Ethernet Cable
- CD-ROM with Installation Guide, User Manual, and Special Offers

Note: Using a power supply with a different voltage than the one included with the DAP-1353 may damage the unit and will void the warranty for this product.

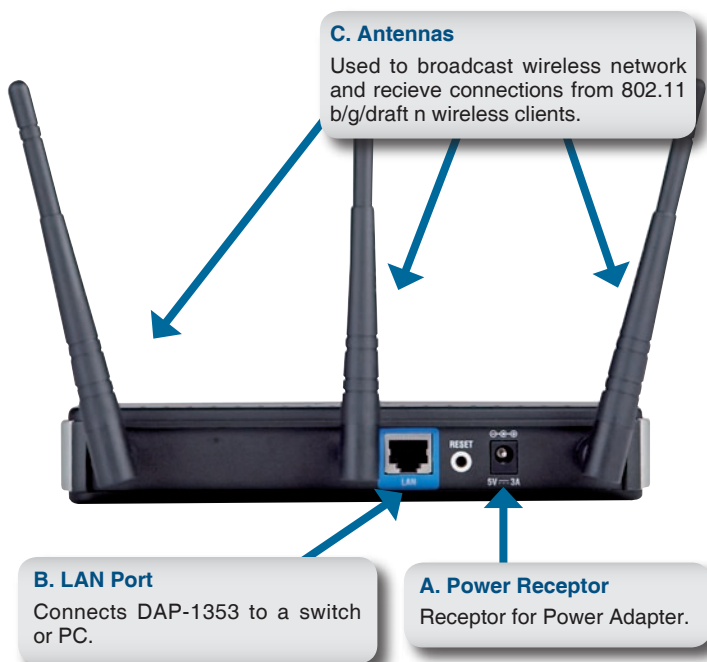

If any of the above items are missing, please contact your reseller.

Connecting the DAP-1353 to your network

- A. Connect the power adapter to the receptor on the rear panel of the DAP-1353 and then plug the other end of the power adapter to a wall outlet or power strip. The power LED will turn ON to indicate proper operation.
- B. Using an Ethernet cable, insert one end of the cable to the LAN port on the rear panel of the DAP-1353 and the other end of the cable to a switch.

Note: You can also connect the DAP-1353 directly to the computer that will be used for configuration. The Link LED will illuminate to indicate a proper Ethernet connection.

- C. Computers with 802.11 b/g/draft n wireless adapters can connect to the DAP-1353.

Using the Wireless Security Setup Wizard

Open your web browser and type `http://192.168.0.50` into the URL address box. Press **Enter**.

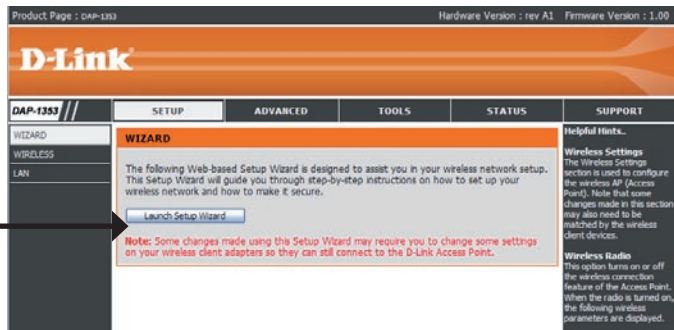

The login screen will appear:

Type **admin** for the username and leave the password blank.

Once you have logged in, the Setup screen will appear:

Click **Launch Setup Wizard**

Your Setup is Complete!

After completing the steps in this Quick Install Guide, your DAP-1353 should be integrated into your network:

YOUR NETWORK SETUP

Technical Support

You can find software updates and user documentation on the D-Link websites.

If you require product support, we encourage you to browse our FAQ section on the Web Site before contacting the Support line. We have many FAQ's which we hope will provide you a speedy resolution for your problem.
